

Congratulations on joining Enviroschools Great POSTCARD PROJECT!

We're excited to have you onboard and hope that you enjoy taking part!!

Below are details for the next steps in the project:

- 1) **Make cards** out of recycled materials that share what students are doing for sustainability at school or in the local community – remember to put the words “Enviroschools ReGeneration Action Festival” on the card.
- 2) **Post the cards by Tuesday 23rd March, 2010.** Below is a list of addresses for all of the schools and organisations taking part in the project, this list is also posted on our website: http://www.enviroschools.org.nz/in_your_region/wellington/featured-projects-wellington NOTE: We encourage you to send cards to other participating schools and organisations (i.e. those listed below) by preference so that those sending cards, also receive cards!
Feel free to also send postcards to other schools, individuals and organizations. A list of all of the other Enviroschools in the region can be found on our website: http://www.enviroschools.org.nz/in_your_region/wellington/participating-schools-in-wellington
- 3) **Check your mailbags** for exciting news from other schools and organisations in the Wellington region. Your Enviroschools Lead Teacher should start receiving postcards by Thursday 25th March. We encourage you to share these postcards around your school/organisation and to send a postcard replying to anyone that you receive a postcard from.

Address list for schools and organisations participating in the Great Postcard Project:

NOTE: Please address all postcards going to other schools to: “Enviroschools Lead Teacher”
